Telephone: 657-4630

From: California Energy Commission

1516 Ninth Street

Sacramento CA 95814-5512

subject: RECOMMENDATION TO APPROVE A NO-COST TIME EXTENSION FOR THE

TOWN OF MAMMOTH LAKES UNDER LOAN 005-09-ECA.

Summary of Item

The Town of Mammoth Lakes has requested a loan term extension of six months. The new requested end term date is 3/31/12. The requested amendment would not alter the total project cost, loan amount, or payback period. The Energy Commission will now be using either Energy Conservation Assistance Act (ECAA) and/or American Recovery and Reinvestment (ARRA) funding for this loan.

Justification for Action Requested:

The Town of Mammoth Lakes is funding their project with both an ECAA loan and an Energy Efficiency and Conservation Block Grant (EECBG) grant. Additional time is needed to meet federal requirements for the EECBG grant. The Town's new revised work schedule indicates they will complete work on the project in December 2011. The grant term ends late April 2012. The Town has requested to extend their loan term to match the grant's end term. As a result, staff recommends approval of the loan amendment to the Town of Mammoth Lakes.
